

Logging Into Cummins Supplier Portal

Supplier Portal

1. Navigate to <https://supplier-dev.cummins.com>
2. Click **LogIn** or **My Business Applications**.
3. Select the login option.
4. Login using your LDAP credentials.

Note: If you do not have your LDAP credentials, use the **Create new account** and **Reset your password** links.

The **Business Applications** section will be available on the top menu.
